1. CALL TO ORDER – 5:01 PM
2. DECLARATION OF CONFLICT OF INTEREST - Nil
3. PRESENTATIONS
- 3.1. Camille McKay, Manager, Parking Enforcement, in regards to parking enforcement procedures

Camille McKay, Manager, Parking Enforcement, provided a PowerPoint presentation discussing the mandate of parking enforcement staff, school enforcement practices, awareness and parking ticket statistics in school zones.

Committee Members raised concerns about persistent illegal parking in school zones and inquired about the feasibility of increased ticketing, increased ticketing fees and towing in order to deter this behaviour. Ms. McKay responded that ticketing does not always equal a behavioural change in illegal parking offenders. Ms. McKay noted that parking enforcement staff had been part of a 2 year study to evaluate the needs of parking enforcement for the proposed Parking Master Plan. Ms. McKay also noted that upgrading parking enforcements systems and technology would assist staff in increasing their service level.
